ESPID 2011

The Hague, The Netherlands, June 7-11, 2011

Research Network Session I:

PENTI and Emerging networks meetings

M. Sharland, UK

C. Gianquinto, Italy

Research Network Session II:

TB network (PTBNET)

H.E. Schölvink, The Netherlands

M. Tsolia, Greece

Research Network Session III:

NEO MERO network

S. Esposito, Italy

P. Heath, UK

Research Network Session IV:

ARPEC network

M. Sharland, UK

Research Network Session V:

Meningo-coccal network

M. Levin, UK

Research Network Session VI:
GRIP and TINN network meeting
E. Jacqz-Aigrain, France
C. Giaquinto, The Netherlands

Research Network Session VII:
FUNGAL network
E. Roilides, Greece
A. Warris, The Netherlands

ESPID 2010
Nice, France, May 4-8, 2010

Research Lunch I:
ESPID Invasive Fungal Infections Study Group
E. Roilides, Greece

Research Lunch II:
Community-Associated Staphylococcus Aureus Infection
P. Rojo, Spain

Research Lunch III:
Prevention and Therapy of Perinatal Group B Streptococcal Infection: Can We Do More?
L. Weisman, USA, A. Bedford-Russel, UK

Research Lunch IV:
Application of Genomics in Pediatric Infectious Diseases
A. Meijas, USA, O. Ramilo, USA

ESPID 2009
Brussels, Belgium, June 9-13, 2009

Research Lunch I:
Paediatric European Network for the Treatment of Infection
S. Esposito, Italy

Trends in Hospitalizations for Rotavirus Gastroenteritis
A. Ashkenazi, Israel

Research Lunch IV:
Emerging Bacterial Resistance in Nicus
H. Abdel-Hady, Egypt

ESPID 2008
Graz, Austria May 13-17, 2008

Research Lunch I:
Congenital Cytomegalovirus Infection: Prenatal and Postnatal Diagnosis and Therapy

G. Nigro, Italy

Research Lunch II:

Use of the Interferon- Gamma Assays for the Diagnosis of Tuberculosis in Children in Europe
B. Kampmann, UK

Research Lunch III:

RL3 towards a Global Vaccine Safety Data Link
S. Black, USA, J. Bonhoeffer, Switzerland

Research Lunch IV:

RL4 Paediatric Fungal Infection Network in Europe
E. Roilides, Greece

ESPID 2007

Porto, Portugal, May 2-4, 2007

Research Lunch I:

Pediatric Fungal Infection Network Europe
E. Roilides, Greece

Research Lunch II:

Use of Vaccines in European Countries
S. Esposito, Italy

Research Lunch III:

Neonatal Infection
A. Bedford- Russell, UK

Research Lunch IV:

Pan- European Protocol for the Study of the Aetiology of Thoracic Empyema
A. Finn, UK

ESPID 2006

Basel, Switzerland, May 3-5, 2006

Research Lunch I:

Antibiotic Resistance and Prescribing
M. Sharland, UK

Research Lunch II:

Neonatal Infections
A. Bedford- Russel, P.T. Heath, UK

Research Lunch III:

Use of Vaccines in European Countries
S. Esposito, Italy

Research Lunch IV:

Pneumocystis Jiroveci Pneumonia in Children
L.M. McNally, South Africa

**ESPID 2005-
Valencia, Spain, May 18-20, 2005**

Research Lunch I:
Fungal Infections Research Workshop
E. Roilides, Greece

Research Lunch II:
Influenza Vaccination Research Workshop
S. Esposito, Italy

Research Lunch III:
Tuberculosis Research Workshop
D. Shingadia, UK

Research Lunch IV:
Neonatal Sepsis Research Workshop
P. Henneke, Germany, A. Bedford- Russel, S. Faust, P.T. Heath, UK
