

Hot Topics in Infection and Immunity in Children 2006

The Oxford Course

A course covering topics in paediatric infection for Paediatric Infectious Disease trainees and trainers and for all those who manage children with infections

Organised by Andrew J Pollard Ronald de Groot
Ron Dagan Adam Finn & Nigel Curtis

Mon 26 June – Wed 28 June 2006
Residential at Keble College Oxford

Supported by

European Society for Paediatric
Infectious Diseases

in association with

British Paediatric Infection Immunity and Allergy Group
and

Department of Paediatrics
University of Oxford

CPD approved by RCPCH (18 points)

Supported by unrestricted grants from

In its fourth year, the entirely new programme for 2006 has been designed taking into account feedback from delegates attending the previous three courses. As before, the emphasis is on hot topics of clinical relevance delivered by world class speakers and provides a balance of clinical lectures, interactive sessions and basic science. The course is also designed to be concordant with the European training syllabus in PID.

Application Complete the application form & send it with the registration fee, or proof of bank transfer, to the Course Administrator. All applications must be accompanied by full payment by cheque (sterling), bankers draft or credit/debit card (Visa/Mastercard/Switch/Delta). You will receive electronic confirmation of booking. It is important that you supply a legible email address with your application. Failure to send a legible form may result in you not being registered for the course.

Submission of the form does not guarantee a place and travel arrangements should not be made until confirmation is received. If you do not receive confirmation of your place, please get in touch.

Transport Delegates are expected to make their own travel arrangements. There is absolutely no parking available at Keble College. **Free Parking** for up to 72 hours is available at Thornhill or Water Eaton Park & Ride. For details www.oxfordshire.gov.uk/index/travel/publictransport/parkandride.htm

Bursaries There are a number of 100% or 50% sponsored places for trainees, including some provided by ESPID for ESPID members. We especially welcome applications from delegates from resource-poor countries (list of resource-poor countries qualifying available from the ESPID website). Those interested should send an email to the course administrator (sue.sheaf@paediatrics.ox.ac.uk) stating: name, age, country working in, job title and contact details. Applications should be received by Monday 1 March 2006.

Notification of your bursary award will be by mid May. If you want to secure a place for yourself on the course in the meantime, taking advantage of the earlybird discount, please apply and make the relevant payment in the usual way. If you are awarded a bursary, your paid fees will be reimbursed accordingly.
