Page 2 - Maximum 7000 characters (3500 per page)

[Empty text box for research study methodology]

SECTION 3. Costs

Maximum 1500 characters

Within the excel spreadsheet provided separately, costs should be presented. Please include how ESPID funds are being used and also a summary of funds from elsewhere being used to fund, the entirety of the project, including both salary and non-salary costs. The spreadsheet with costs should be attached separately to this application form. Please use the space below for the summary.

SECTION 4. References

Maximum 4000 characters

SECTION 5. Type of Application

Note which type of Small Grant Award application this is from the two options below:

Project has never received funding from ESPID

Reapplication for further funding for the same project

If this is a reapplication for further funding (second option), please make sure that you include the following with your new application:

1. Progress report
2. Original application

Please upload your progress report and original application separately to this application

SECTION 5. Signed Declaration

Please complete the declaration below:

“We declare that the work proposed here seeks to address a new research question for us. We do not have alternative sources of funding to undertake this work and unless we are successful in this application, the work will therefore not go ahead unless we subsequently raise alternative external funding from elsewhere. We confirm that no monies received from ESPID for this project will be used for any overhead charges or infrastructural costs made by hosting institution or institutions”.

Date: _____

Applicant signature: _____

Head of Department signature: _____

Finance Officer signature*: _____

Please upload electric signatures as an image for each signature required.

* Only needed if organisation requires it to confirm statement about overhead or infrastructural costs.
